Nick Miller, Truck View, cragg, birds and wire, 2019

Exploring the complex relationship between artist and viewer, PARALLAX invites us to consider differing viewpoints within contemporary art practice; in essence the ambiguity of space that exists when the artist or viewer's gaze is redefined, perspectives are altered, or the path of the viewer's eye is redirected.

Artists include : David Eager Maher, Liam Flynn, Maria van Kesteren, Ed Miliano, Nick Miller, Sasha Sykes, Stephanie Rowe, Andrea Walsh and Keith Wilson

FUTURE EXHIBITIONS IN THE SERIES:

FLORID : 27th November – 8th December 2019

REPEAT : 11th December – 20th December 2019
